Before reading my interpretations of hadiths, the hadiths are not infallible. If the hadiths were, there would be in the Quran. I estimate 75% to be authentic but I would have no clue if only 15% were. Both Muslims and people who despise Islam take offense to this as if I pick and choose which are correct, my response is I don't care since I have provided my reasoning for how I simply don't know, nobody believes every hadith is 100% accurate. Why aren't I allowed to choose which ones are right?

The way to read hadiths is- Sahih means 100% reliable, Hasan means 90% reliable, and Da'if which means 20% reliable.

7099 a nation will never succeed with a woman as its leader. This is a hadith, but I take it as a fact. Most Muslims all throughout history agree this is how a country must be run.

817 Allah raises the status of people by the Quran, and by the Quran Allah humbles others. This is by far my favorite and most important hadith it’s not

even close. Prophet Muhammad is talking about how for instance Allah gave Prophet David victory over Goliath, because of scripture which David was taught, David was able to conquer Goliath. Prophet David’s status was raised from a shepherd to a King of Israel and a Prophet. Allah is telling you that the Quran has performed actual miracles for people. On a far lesser note, about this hadith, the Quran is to humble people, this shows the Quran is needed in society to humble the population.

How sad is that? Perhaps this is why it is a disbeliever's paradise where you are always satisfied, that's why I say the hardest part is to love history after enjoying it, we aren't surrounded by it. Prophet Muhammad already knew that whatever is invented or discovered, 1/3rd of Americans will still be depressed, and this is what is causing it that nothing will satisfy them not that they are greedy or selfish but that they’ve seen it all. These people need purpose the most, Prophet Muhammad delivered the purpose to life.

I interpret this hadith is that if a man reveals her secrets what she is into to shame her not to share with his Muslim guy friends, it will look bad on the Day of Judgement. I completely understand why many Muslims believe this is saying not to talk about what sexual encounters happen between a man and his wife, I don’t believe the hadith is saying that.

1478 Umar slapped one of Prophet Muhammad’s daughters asking her for extra money when Prophet Muhammad asked him for extra money. Prophet Muhammad laughed at what Umar said.
